PRESS RELEASE

April 10, 2017

Bruce Nelson Highlighted in Ecolibrium Magazine

Melbourne, AU: *Ecolibrium*, the official journal of AIRAH in Australia, recently highlighted Bruce Nelson as a keynote speaker at AIRAH's Refrigeration 2017 Conference. AIRAH CEO Tony Gleeson remarked "Securing speakers the caliber of...Bruce Nelson is a real coup for AIRAH's Refrigeration 2017 Conference. Their keynote addresses will set the tone for this timely and essential event."

Nelson's address "Politics, refrigeration, and the Donald Effect" discussed the shifting political environment in the US and the implications to low-charge ammonia refrigeration systems.

About Colmac Coil Manufacturing, Inc.

Since 1971 Colmac Coil has provided customers worldwide with innovative heat exchangers and heat transfer solutions for industrial refrigeration, HVAC, power generation, and gas compression applications. The company builds heating and cooling coils, refrigeration air coolers and blast freezers, air-cooled fluid coolers and condensers, and heat pipes for heat recovery. State-of-the-art selection software accurately calculates heat exchanger performance for a wide range of working fluids, materials, and operating conditions. World-class manufacturing facilities in both Washington State and in Illinois provide customers with fast delivery times and outstanding after sales support. www.colmaccoil.com
